## Grizzly Industrial is Proud to Offer Dorian® Tool Posts & Tool Holders

Grizzly Industrial is very pleased to offer Dorian tool posts and tool holders. Dorian's triple-action wedge-locking system provides a powerful combination of downward, outward, and inward force. The tool post body is made from chromium-molybdenum alloy steel, which is thru-hardened, surface-treated, and Xylan-coated for protection and durability in machining environments.

**DORIAN®**  
INTERNATIONAL  
**TOOL**

### **HIGHLIGHTS (see next page for complete details and pricing)**

- Multi-position locking handle adjustment
- Super precision tool holder locking
- Repeatability within millionths
- Thousands of pounds of locking force with a finger tip
- Proudly made in the USA!

The triple action wedge-locking system from Dorian provides a powerful combination of a downward, outward and inward force that simultaneously locks the holder. Maximizing rigidity further is the tool post body made from chromium-molybdenum alloy steel, which is thru-hardened, surface-treated, and Xylan-coated for protection and durability in machining environments. Precisely machined and ground with the most advanced technology.

**FEATURES:**

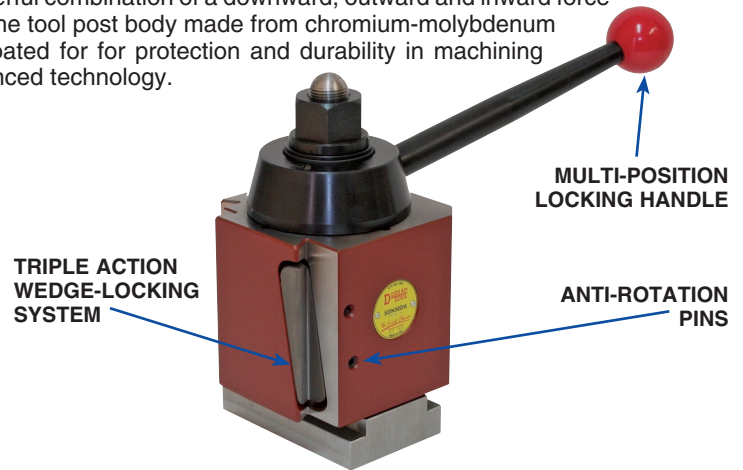

- Multi-position locking handle adjustment
- Anti-rotation mounting
- Super precision tool holder locking
- Repeatability within millionths
- Thousands of pounds of locking force with a finger tip

**5-PIECE SUPER QUICK CHANGE TOOL POST SETS**
