Specifications

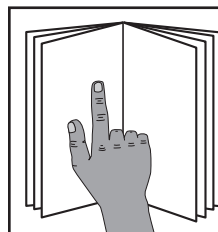

Dimensions.....30"W x 20 $\frac{3}{4}$ "D x 29"H
Distance Between Supports..... 32 $\frac{1}{4}$ "–63 $\frac{1}{2}$ "
Table Dimensions.....20 $\frac{3}{4}$ " x 30"
Table Weight Capacity220 lbs.
Shelf Dimensions 14 $\frac{1}{2}$ " x 29 $\frac{3}{4}$ "
Shelf Weight Capacity33 lbs.

⚠ WARNING

- To reduce risk of serious personal injury:
 - Do not climb, sit or stand on stand.
 - Push stand only, do not pull it.
 - Do not use support extensions as a ladder or scaffolding.
 - Properly secure power tool to stand before operation.
 - Always use stand on a flat and level surface to prevent rocking or tipping.
 - Make sure stand is firmly on floor, foot pedal is down, and wheel is raised before use.
 - Do not modify or use stand for any operation for which it is not intended.
 - Do not exceed total weight capacity of 220 lbs.

Assembly

The Model T34606 must be fully assembled before it can be used. Before beginning the assembly process, refer to **Needed for Setup** and gather all listed items.

Note: Only hand tighten fasteners until instructed to fully tighten in **Step 7**.

To assemble stand:

1. Place table upside down on flat, protected surface.
2. Attach (1) leg to each corner of table with (16) M8-1.25 x 16 carriage bolts, 8mm flat washers, and M8-1.25 hex nuts (see **Figure 3**).

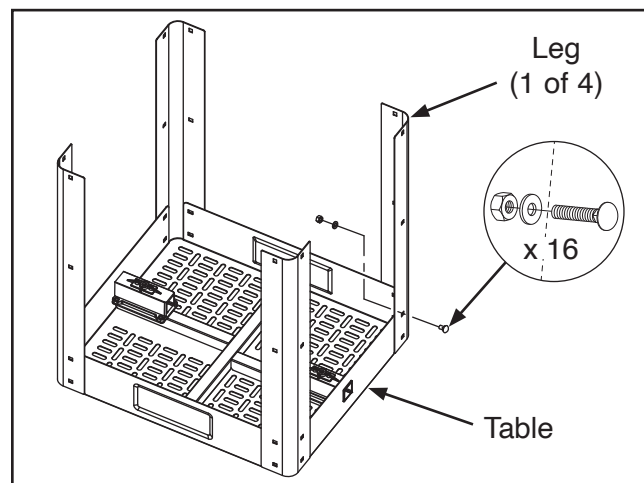

Figure 3. Leg to table installation.

3. Insert support extensions into holes in either side of table (see **Figure 4**), and secure with (2) M8-1.25 x 40 knob bolts.

Note: Install support extensions with pre-drilled holes facing away from table.

4. Thread (2) #8 tap screws into pre-drilled hole in end of each support extension (see **Figure 4**).

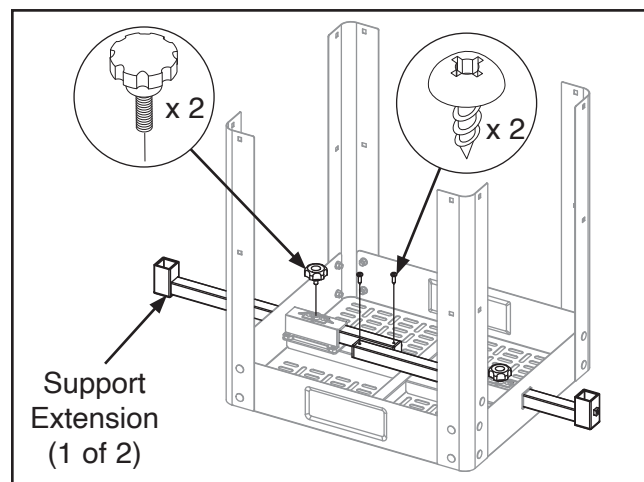

Figure 4. Support extensions installation.

5. Turn table assembly over and place on base assembly (see **Figure 5**), with legs positioned outside mounting tabs.
6. Attach legs to base assembly with (8) M8-1.25 x 16 carriage bolts, 8mm flat washers, and M8-1.25 hex nuts (see **Figure 5**).

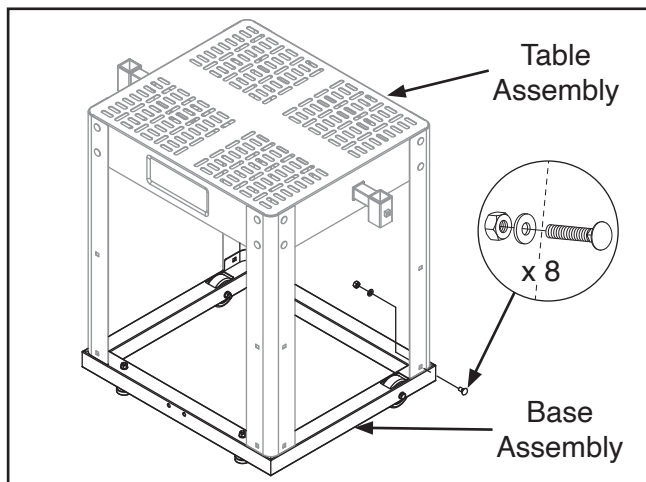

Figure 5. Leg to base installation.

7. Fully tighten all fasteners used in **Steps 2–6**.
8. Attach (2) shelf brackets, each with (2) M8-1.25 x 16 carriage bolts, 8mm flat washers, and M8-1.25 hex nuts (see **Figure 6**).
9. Attach shelf to shelf brackets with (4) M8-1.25 x 16 carriage bolts, 8mm flat washers, and M8-1.25 hex nuts (see **Figure 6**).

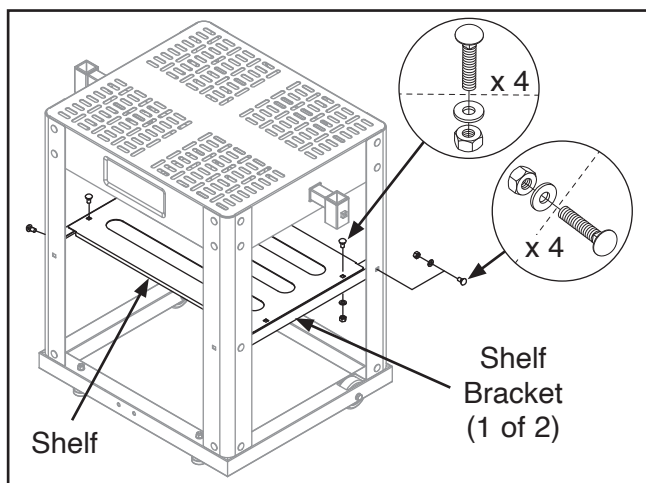

Figure 6. Shelf brackets and shelf installation.

10. Attach foot pedal assembly to base assembly with (2) M8-1.25 x 60 hex bolts, 8mm flat washers, and M8-1.25 hex nuts (see **Figure 7**).

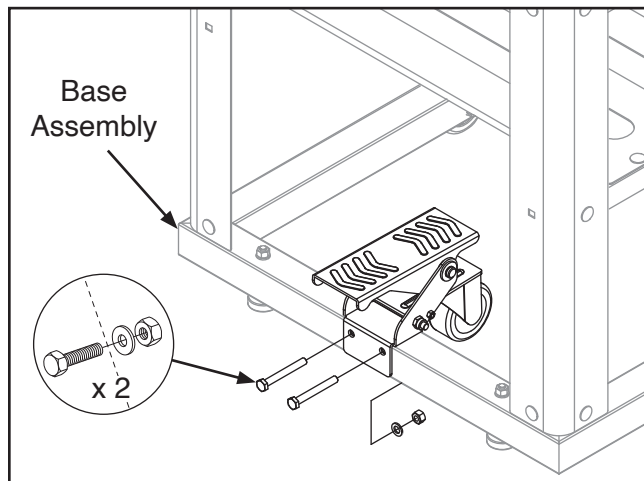

Figure 7. Foot pedal assembly installed.

11. Insert roller supports into support brackets (see **Figure 8**) and secure with (2) M8-1.25 x 14 knob bolts.

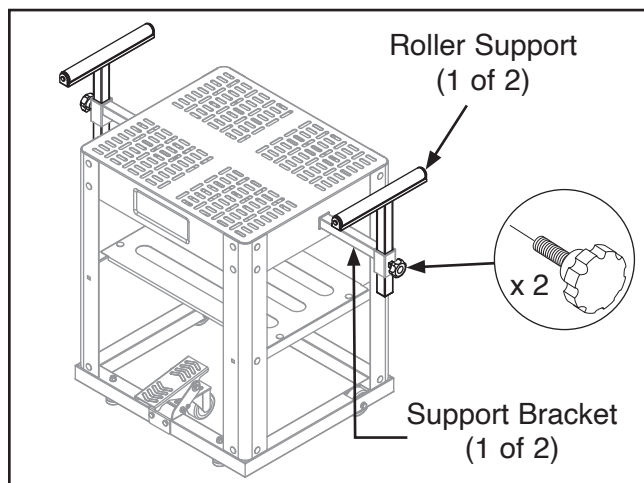

Figure 8. Roller supports installed.

Installing Machine

Install a planer or miter saw using (4) M8-1.25 x 60 hex bolts, 8mm flat washers, and M8-1.25 hex nuts.

For planer use: Position the planer so the support arms are to the front and rear of the machine (see **Figure 9**).

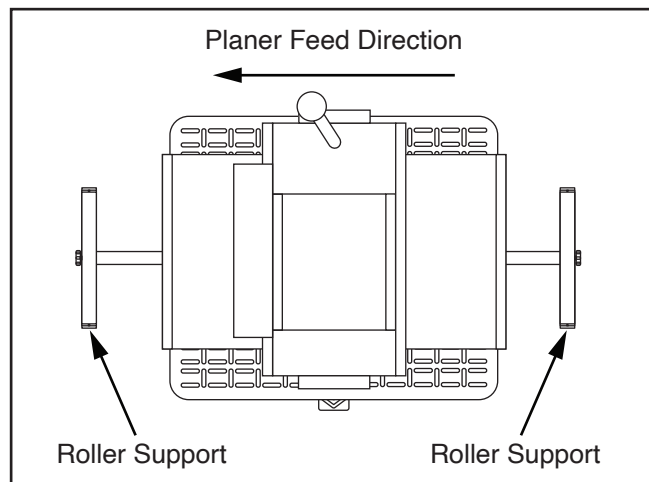

Figure 9. Planer installation (top view).

For miter saw use: Position the miter saw so the support arms are on each side of the machine (see **Figure 10**).

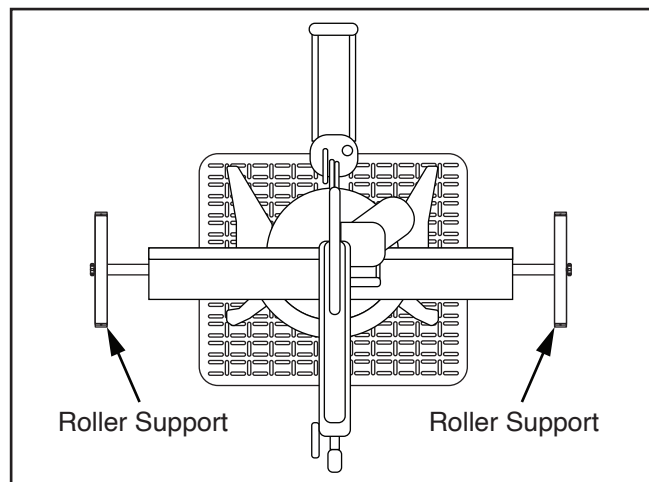

Figure 10. Miter saw installation (top view).

Moving Stand

Press down on the front of the foot pedal (see **Figure 11**) to unlock and lift the stand. Carefully move the stand into desired position, then press the back of the foot pedal to lower stand to the floor and lock.

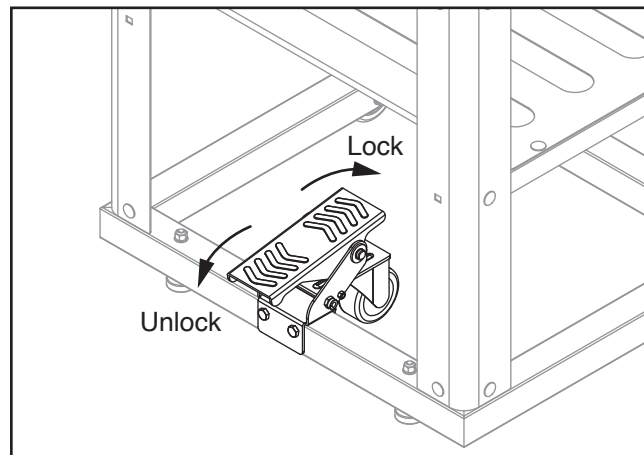

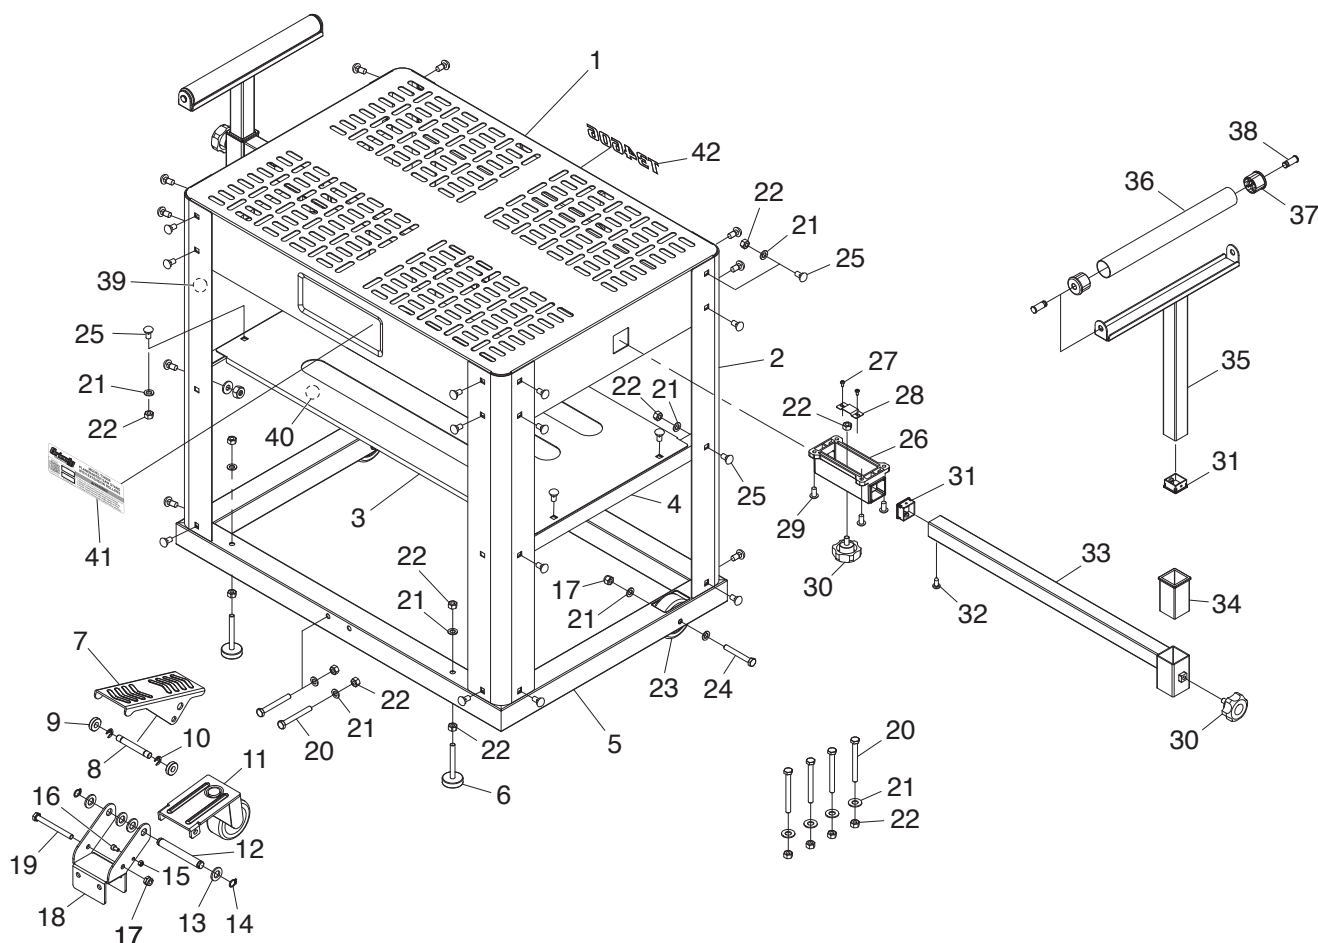

Figure 11. Foot pedal operation.

WARNING

Make sure stand is firmly on floor, foot pedal is down, and wheel is raised before use.

Grizzly Industrial, Inc. warrants every product it sells for a period of **1 year** to the original purchaser from the date of purchase. This warranty does not apply to defects due directly or indirectly to misuse, abuse, negligence, accidents, repairs or alterations or lack of maintenance. This is Grizzly's sole written warranty and any and all warranties that may be implied by law, including any merchantability or fitness, for any particular purpose, are hereby limited to the duration of this written warranty. We do not warrant or represent that the merchandise complies with the provisions of any law or acts unless the manufacturer so warrants. In no event shall Grizzly's liability under this warranty exceed the purchase price paid for the product and any legal actions brought against Grizzly shall be tried in the State of Washington, County of Whatcom.

We shall in no event be liable for death, injuries to persons or property or for incidental, contingent, special, or consequential damages arising from the use of our products.

The manufacturers reserve the right to change specifications at any time because they constantly strive to achieve better quality equipment. We make every effort to ensure that our products meet high quality and durability standards and we hope you never need to use this warranty.

In the event you need to use this warranty, contact us by mail or phone and give us all the details. We will then issue you a "Return Number," which must be clearly posted on the outside as well as the inside of the carton. We will not accept any item back without this number. Proof of purchase must accompany the merchandise.

Please feel free to write or call us if you have any questions about the machine or the manual.

Thank you again for your business and continued support. We hope to serve you again soon.
