- 4**: A flat rectangular panel or base.
- 5**: A small rectangular container or tray.
- 6**: A small rectangular component, possibly a sensor or display.
- 7**: Vertical support rails or legs.
- 8**: A horizontal support rail or base.
- 9**: A rectangular component with a grid of holes, possibly a filter or diffuser.
- 10**: A rectangular component with a grid of holes, possibly a filter or diffuser.
- 11**: A rectangular component with a grid of holes, possibly a filter or diffuser.
- 12**: A small circular component, possibly a button or indicator.
- 13**: A small circular component, possibly a button or indicator.
- 14**: A flexible, coiled tube or cable.
- 15**: A small rectangular component, possibly a sensor or display.
- 16**: A small circular component, possibly a button or indicator.
- 17**: A small circular component, possibly a button or indicator.
- 18**: A cable with a connector.
- 19**: A small rectangular component, possibly a sensor or display.
- 20**: A small rectangular component, possibly a sensor or display.
- 21**: A small rectangular component, possibly a sensor or display.
- 22**: A small rectangular component, possibly a sensor or display.
- 23**: A small rectangular component, possibly a sensor or display.
- 24**: A rectangular component with a grid of holes, possibly a filter or diffuser.
- 25**: A small rectangular component, possibly a sensor or display.
- 26**: A small rectangular component, possibly a sensor or display.
- 27**: A small circular component, possibly a button or indicator.
- 28**: A small circular component, possibly a button or indicator.
- 29**: A small circular component, possibly a button or indicator.
- 30**: A small rectangular component, possibly a sensor or display.
- 31**: A small circular component, possibly a button or indicator.
- 32**: A small circular component, possibly a button or indicator.
- 33**: A small circular component, possibly a button or indicator.
- 34**: A small rectangular component, possibly a sensor or display.
- 35**: A small rectangular component, possibly a sensor or display.
- 36**: A small rectangular component, possibly a sensor or display.
- 37**: A small rectangular component, possibly a sensor or display.
