Introducing the Grizzly Models T31679 & T31680 "Bear Box" Job Site Boxes

Secure your tools with confidence and protect your investment!

New!

Gas shocks provide lifting assist and keep the lid open for easy loading/unloading of your tools

Recessed lock housings protect your locks for maximum security

These Job Site Boxes are designed to easily accept forklift forks along their width or length

HIGHLIGHTS

- Security features include heavy-duty 16-gauge steel with arc-welded seams, dual recessed lock housing system that prevents access by pry bars, bolt cutters and metal saws, and an overlapping lid with a continuous piano hinge for anti-pry security and weather resistance.
- Gas shocks keep the lid open for convenience and safety while loading and unloading tools.
- Side handles feature 90° stops for maximum carrying leverage.
- Equipped with pre-drilled holes for casters for mobility, or for bolting down for added security.

DIMENSIONS

- Model T31679: 36" W x 17" D x 21½" H.
- Model T31680: 48" W x 24" D x 28½" H.

Model T31679 is available for \$179.95 and Model T31680 is available for \$274.95. Each is covered by a one-year warranty. For more information call **1-800-523-4777** or visit **www.grizzly.com**.
